

The ultimate indoor/outdoor wash rack

Standard features include

Hydroblaster pressure washer

You decide whether it's hot or cold water and also the pressure required, from 0 to 5000 psi.

Hydropad portable wash pad

You determine the size and weight capacity, how many walls and how high they need to be.

Hydrokleen waste water recycling system.

We'll help determine this once we know what your waste stream is.

Hydrobioreactors

And finally, we'll guarantee pathogen free and stink free recycled water
