# Hydro Engineering Inc

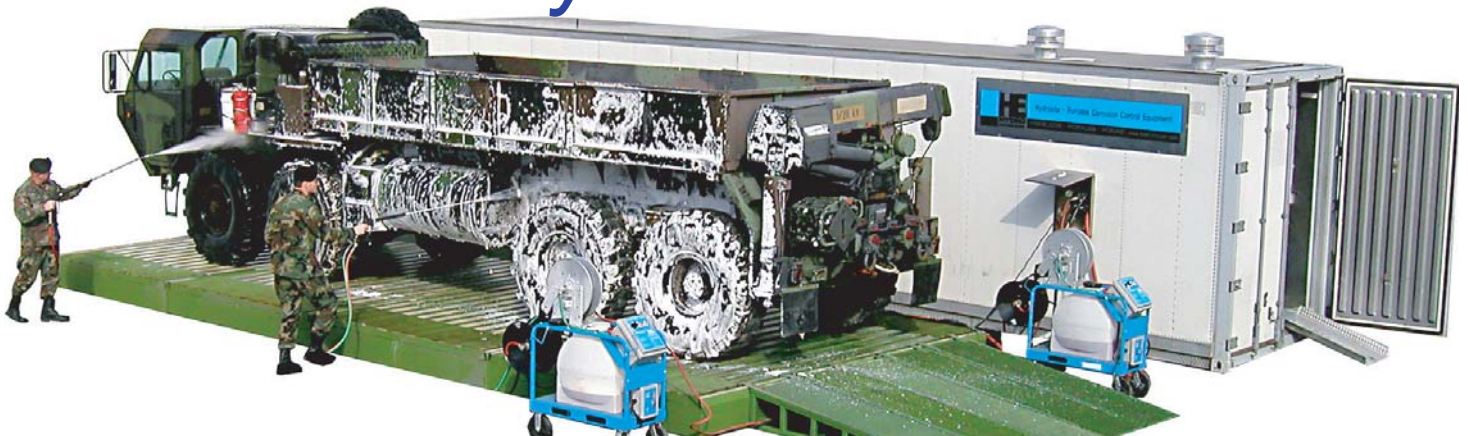

*Hydroblaster - pressure washers*

*Hyrdopad - cleaning containment*

*Hydrokleen - wastewater filtration*

*Hydro Biodigesters - odor control*

[www.hydroblaster.com](http://www.hydroblaster.com)

High solids filtration without bags or cartridges

Hydrokleen filtration systems install fast and get you up and running in hours not weeks

Filtration systems for recycling or pre-treatment for discharge to sanitary sewer

Low maintenance is the key with Hydrokleen wastewater filtration systems

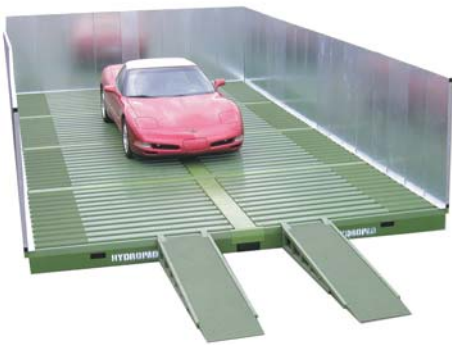

# Waste Water Filtration and Recycling

- Solids Filters
- Oil Water Separators
- Bioreactors
- Odor Control
- Pre-Treatment For Sewer Discharge
- Recycling Filtration Systems

Clean Water With  
No Stink

## HYDRO ENGINEERING

Hydropads provide a fully portable wash pad solution

Hydropads can handle any size and weight of machinery

Use them indoors or out, Hydropads are the answer

Hydropads require no; plans, permitting or construction, just set them in place and start washing

## Hydropad Portable Wash Pads

No Permits  
No Design Cost  
No Construction  
No Delays

Are The Answer!
